

2012 FRIENDS OF THE CSO MEMBERSHIP APPLICATION

The Friends of the CSO was established in 1998 with the aim of supporting the Orchestra in whatever way it can and helping it to achieve its aim of creating and fostering music of the highest quality.

The Friends support the Orchestra by:

- providing funding for an Orchestra Chair;
- supporting the hire of music for each concert;
- encouraging attendance at concerts including distributing information about the event;
- holding a social event prior to each subscription concert – these include lunches and morning teas which are attended by the Conductor and/or Soloist;
- developing links with other music organisations; and
- producing a Friends newsletter

Friends are always looking for further opportunities to support the CSO. This requires a strong vibrant membership and an enthusiastic Committee. The current Committee consists of seven members including the CSO's Chief Executive Officer who provides the link with the CSO Board.

Annual membership fees are as follows: \$40 for a single member; \$55 for household membership, and \$30 concession (pensioner). The membership year starts on 1 February each year.

A discount of \$5 is given on any of the above rates where a member has access to email.
For further information contact the Friends Chairperson, Ann Thurley, on 6249 8681.
